

The Ministry of Healing at The Shrine of Our Lady of Glastonbury

Home of the most ancient Marian Shrine in the UK,
a Shrine to Our Lady has been present in Glastonbury
since the dawn of Christianity in this country.

Historically, the Shrine was one of the foremost centres of
Pilgrimage and Healing in the land.

Today, that tradition is being continued at the Restored Shrine
of Our Lady St Mary of Glastonbury, where healing services are regularly offered, at
which all who wish to attend are welcome.
